You will make a \$5 profit per each chicken or pork box sold

(Example: If you sell 4 boxes of steak (\$10 earned per box) you make \$40.)

(Example: If you sell 1 box of seafood (\$10 earned) and 1 box of pork (\$5 earned) you make \$15.

2) Elite Affiliate Personal Sales & Fundraiser Set Up Sales

You will generate income selling products directly from your own Elite Specialty Meats web store. You will also create a significant income by showing and signing up Charities, Churches, Sporting Associations or any group that needs to raise money for their cause in the Elite Specialty Meats turnkey fundraising system. Both of these business models can generate a significant amount of money based on your own efforts without having to recruit anyone into your business. A quick example is if you sign up a charity and they sell 1000 boxes of meat you will earn \$3.00 per box or \$3,000 based on the organizations sales. When you have success with 1 charity how about setting up 10, 100, or 1,000? Our system is one of a kind and you can set up as many organizations personally as you would like. Income potential is endless.

3) Elite Affiliate Team Sales & Fundraiser Set Up Sales

For those who enjoy building a team our business model is also perfect for you. First, you can build a team as large as possible since there is no matrix and no geographical limitations. Second, you don't have to fear telling anyone about our plan since it does not cost anything to get involved or cost any monthly fee to stay involved. *enroll anywhere in the country will be on your level 2. (You are always level 1 and all personally enrolled are level 2.) This is where our compensation plan gets **VERY EXCITING!!!***

Our compensation plan structure is very simple and pays out 7 levels deep.

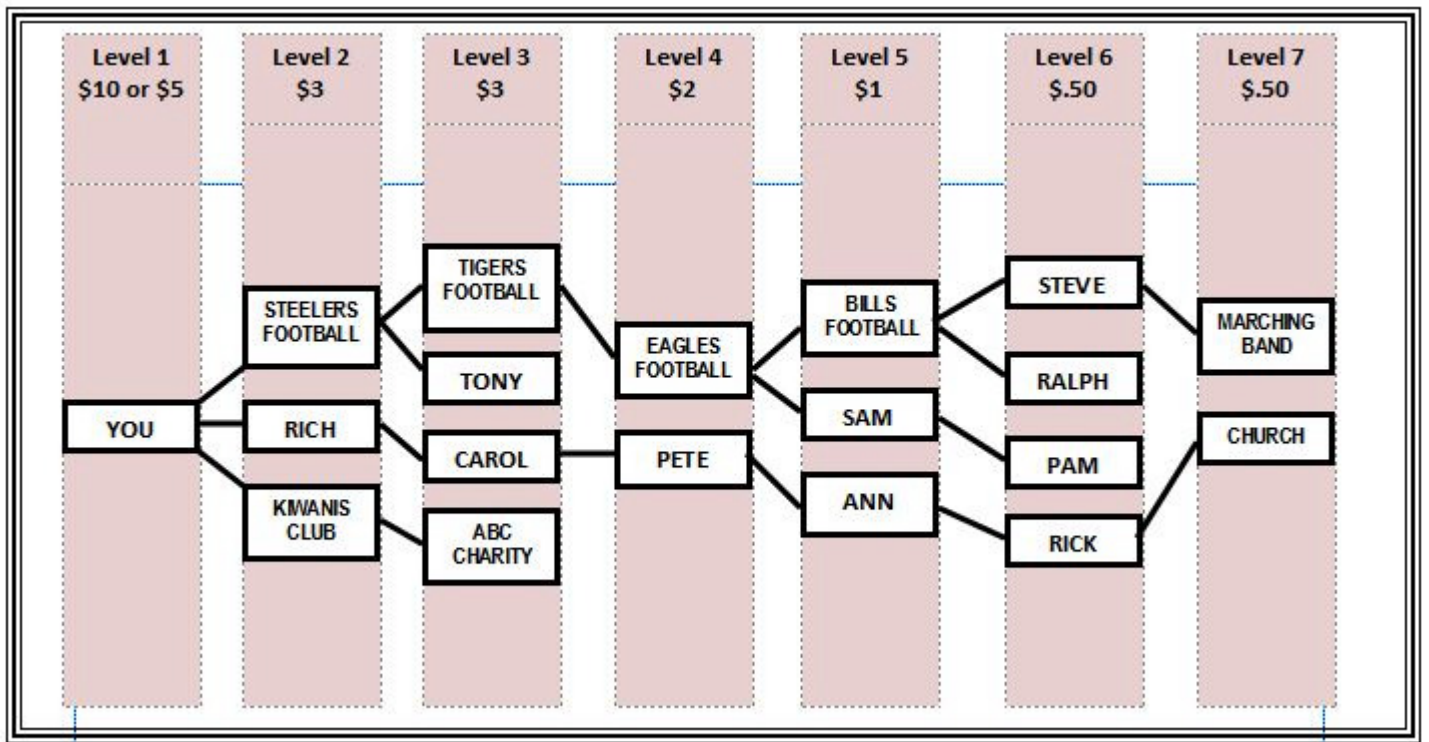

The 7 Levels of Pay Per Box Sold Are As Follows:

Below is a chart showing you how much **(you make) on each level when one of*

Your(IBA'S) Independent Business Associates or Charities sell a box of our Elite product.

3. *Building YOUR Elite TEAM: (Example Below)*

**** If you personally sell 1,000 boxes of Steak or Seafood you generate \$10,000. (Chicken or Pork would be \$5,000)**

****Here is an example of how building a TEAM can help you reach your financial goals!**

This example is based on 1000 boxes of Steak being sold (which is only 100 people buying or selling 10 boxes).

When the Steelers, Tigers, Eagles, and Bills Football organization each sell 1,000 boxes every one of these organizations will generate \$10,000 from their own personal sales!!!

If YOU were the person that introduced our Elite "Turnkey" system to the Steelers, this is how much YOU would earn based on all sales at every level.

YOU would earn \$3.00 per box from all 1000 boxes sold by the Steelers totaling \$3000.00

You would earn \$3.00 per box from all 1000 boxes sold by the Tigers totaling \$3000.00

You would earn \$2.00 per box from all 1000 boxes sold by the Eagles totaling \$2,000.00

You would earn \$1.00 per box from all 1000 boxes sold by the Bills totaling \$1,000.00

You would earn \$.50 per box sold from all 1000 boxes sold by the Steve totaling \$500.00

You would earn \$.50 per box sold from all 1000 boxes sold by the marching band totaling \$500.00

****Keep in mind you can set up as many IBA'S or Charities as you would like. Anyone or any organization you personally help get started with Elite would be on your second level.****

For the above example you will see Rich and the Kiwanis Club are also on Level 2. As they continue to grow you will be compensated for any and all boxes sold. With Elite specialty Meats there are no cut offs, quotas, or limit to the number of boxes that can be bought or sold by you or your team.

Whether you prefer to work alone or build a team there is a real opportunity to help so many people and grow a fantastic residual income at the same time!

RESIDUAL INCOME –DON'T FORGET!!! You will continue to generate full commissions on ALL REORDERS of Elite Specialty Meats **FOREVER!!!**
